Dear ABA Players,

Ella Banks of Tampa, Florida has had major health challenges for several years. For example, it as been nearly two years since she has driven a car.

Earlier this month she **survived two major surgeries** to address things I can neither pronounce nor spell correctly. In lay terms, the surgeries dealt with back, spine, vertebrae, and neurology (that means nerves, they told me).

She currently is stable and in **room C-820 at Tampa General Hospital**. **She can receive visitors**; however, I recommend calling the hospital prior to visiting in case they have moved her room. The main hospital number is **813-844-7000**. Currently, her physical therapy and rehab treatments are scheduled at Tampa General for the next several weeks; but, am told that might change.

Her cell phone is 813-857-6617. She might not answer, but enjoys listening to the voice mails; so, **please leave a message if you call**.
