Who was C. G. Fredd? C.G. Fredd was regarded as the South's leading player, qualifying as a ranking player in the ABA for more than 35 years who won over 567 sanctioned events during that time (41 sanctioned events during one year). His trademark was a cigar dangling from his mouth and a bag of peppermint sticks. Long before online bridge existed, C.G. played with 87 different partners from 31 different cities, including Mable Burks, Tom Hunt, Will E. Richardson, and Vassie Ray. Among his accomplishments, he was the creator and former Chair of the Tournament Authority and the former Chair of each of the Tournament Committee, Publishing Board, and Card Committee (now Appeals & Ethics), as well as ABA BULLETIN Editor. He was the inventor of the Round Robin form of bridge game, IMPs converted to Victory Points, and the flighted teams concept. Passionate about members' ability to play, he sponsored and co-sponsored bus trips to various tournaments where he would often recite poetry to entertain bus riders on their journey. The Spring National Knock Out Team Game is named after C. G. Fredd. *(Written by Linda Dunn)*

NEW PLAYERS RECEPTION
Tuesday, April 9, 2024
After the 1:30 PM Game

**MAJOR KNOCKOUT TEAMS
CONDITIONS OF CONTEST**

REGISTRATION – PRE – REGISTRATION IS REQUIRED AND ENTRY WILL BE AVAILABLE IN PLAYING AREAS. All knockout team entries complete with names and master point holding of each member must be turned in to the National Supervisory Director or her designee no later than 7:30 PM the night prior to the event. (ACBL Masterpoints will be counted at the conversion value in figuring the team total. If a player has both ACBL and ABA Masterpoints, a total must be reached using our published conversion factor). Teams may consist of 4, 5, or 6 players. The total entry fee of \$12.00 per player must be paid when entry is submitted. No additions or entry deletions may be made after the deadline without specific approval of the National Supervisory Director. **DUAL REGISTRATION MAY VOID YOUR ENTRY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!** Any Captain who has pre-registered and desires to withdraw should do so before the deadline expires (**7:30 PM the night prior to the event**). When withdrawal occurs after the deadline due to dual registration, entry fee **WILL** be forfeited.

BRACKETING - Each flight may consist of 16 teams aligned according to the average master point holding of the top four members of each team. In Flight "A" the defending team will be seeded number one provided four members of the original team are still members. Opponent pairing in all Flights of the MAJOR KNOCKOUT TEAMS will be determined by seeding. Teams will be seeded in each flight to determine their ranked positions and numerical designations. Adjustments may be made in the lower flights to accommodate excess registrants. However, the Association reserves the right to use other methods. Byes will be used only as a last resort. Opponent pairing in all flights can be determined for the first round by subtracting your team number from 17 where they are 16 teams in the flight. Flights of less than 16 subtract your team number from the total number of teams in the flight plus one.

TEAM ENTRY The Team Entry shall be completed with 4, 5 or 6 names. Each name shall be followed with an ABA Number and Current Master Point holding. The Total Master Point Holding for the team (4, 5 or 6 members) shall be placed in the space for Total MPA's found at the top of the Entry Form. **THE CAPTAIN OF THE TEAM IS RESPONSIBLE FOR THE ACCURACY OF THIS MASTER POINT TOTAL.** Any change in the **TOTAL MASTER POINT HOLDING SHOULD BE REPORTED IMMEDIATELY** (that is before team assignments are made). Failure to do so will result in **DISQUALIFICATION**.

SCORING – Each match will be scored by Imps, with a margin of single IMP constituting a victory. Any tie at the end of regularly scheduled number of boards will be resolved by a 5 board playoff. Such playoffs will begin immediately after a short (5 minute) interval and continue until the match is resolved.

REQUIRED PARTICIPATION – A player is not required to play in the first match. However to be eligible for masterpoints and / or prizes, each member of the team, after the first round of the knockout, must play at least 50% of all ensuing matches as long as the team progresses. The National Supervisory Director may waive this requirement only in cases of dire emergency. Sit outs must be reported at the time results are turned in. If for any reason a player is dropped or absent from a team, it must be reported immediately to the Director-in-Charge (DIC). No substitutes are allowed at anytime without prior authorization of the DIC.

CONCURRENT PARTICIPATION – Players entering two games concurrently must play the entire session of the event in which there is active participation. Substitutes are not permitted. Players are not allowed to register for single session games opposite any round of the Knockout Teams other than the first. Players must notify the Director selling entries, at the time of registration, that they are playing in another game. Should a player's team progress to the next round this player will receive masterpoints for only the team game regardless of the next level of finish in the single game session event. Violations of these rules could result in disqualification from both games. Entry fees in these instances will not be refunded.

SEATING – There are no seeding rights. In the first half, Tables and Directions are determined by the Directors. The North / South and East/West are assigned to a specific table. In the second half, the team that trails in the match sits first and the Leaders sit around them. For the second half, partnerships may be reassigned, but no pair that met in the first half will play each other in the second half. In the event of a tie at the half, simply reverse the initial assignment by the Directors.

CONVENTIONS – All conventions shown on the General Convention Chart are allowed in this event. Conventions listed as Mid-Chart are allowed in all flights where the bottom team has an average of 1200 or more masterpoints. The Super Chart applies to Flight "A". The National Tournament Authority must approve all special conventions at least two hours prior to the start of the game.

PROTEST PERIOD – The period for the appeal of Directors' rulings or for filing protest expires 30 minutes after each match. An appeal of a Director's ruling on an infraction that occurred during the first half must be made known to the DIC and the opposing Captain before the start of the second half of the match; and for tied matches before the bidding begins in the playoff. When a committee is required, the DIC should have it convene before the match resumes.

PENALTIES – ALL STARTING TIMES WILL BE PROMINENTLY POSTED AND OBSERVED. FAILURE TO SEAT A COMPLETE TEAM BY THE OFFICAL STARTING TIME WILL, AT THE DIRECTOR'S DISCRETION DURING A TEN (10) MINUTE GRACE PERIOD, CARRY THE FOLLOWING PENALTIES FOR TARDINESS.

- A. 1 IMP for the first 5 minutes
- B. 2 IMPS for each additional 5 minutes.

The 10-minute grace period does not mean the event is scheduled to start 10 minutes after the official start time, but rather this is the period where the Director can excuse tardiness without penalty.

If the player doesn't have an acceptable excuse then the penalties identified can be imposed at the Director's discretion. **BE ON TIME!** In addition, the match will be curtailed one board for each 5 minutes of lateness after the grace period, up to a maximum of three (3) boards. 3 IMPS per board will be awarded for tardiness during the 10-minute grace period. 30 minutes after the posted starting time for the game the DIC will declare the match forfeited if a team has failed to seat four members. Starting times may not be changed by agreement between the teams except with the approval of the National Supervisory Director. If additional costs are associated with this change, they must be borne by the teams involved. Once a team member begins play in a match, he must complete that half. In case of an emergency, the DIC may excuse the player.

SUBSTITUTES – Substitutes may be used in an emergency with the express permission of the DIC with no penalty. (An emergency is defined as an unforeseen combination of dire circumstances, or the resulting state, requiring exigent action). A substitute may also be used to temporarily replace a late (unexcused) player. A substitute cannot be or have been a member of a team in the same flight as the team for which he is substituting. The presumed skill level of the substitute cannot be greater than that of the deposed player unless approved by the opposing team. If a substitute is used to replace a player who is not excused by the DIC, there will be a three (3) IMP penalty for the first board played by the substitute and a two (2) IMP penalty for each subsequent board played.

PLAYING TIME LIMITS Time limits apply: 6½ minutes per board. Playing time for 24 boards is 3 hours. Times are adjusted accordingly for other numbers of boards. Players have the responsibility to inform the Director of slow play. When the Director has fixed responsibility for slow play and all the boards are not completed in the prescribed time, a 3 IMP penalty will be assessed the offending team for each board missed.

ACCEPTANCE OF PENALTIES – Penalties assessed by the Director for an infraction, including slow play, tardiness and lateness, must be accepted by the non-offending team.

REPORTING RESULTS – Each Captain should sign his name on the reporting slip of the opposing team. The winning team Captain should turn in the slips for both teams at the assigned reporting station as soon as possible after results are determined and agreed upon.

KIBITZERS – Kibitzers will be permitted but must remain at one table. Any player may request the Director to remove a spectator from his table for cause. Fifth and sixth members may kibitz only at tables which are at least two tables removed from where their teammates are playing. During the finals, kibitzers are permitted only in the "Open Room" if there is a "Closed Room".

DISQUALIFICATION – A team may be disqualified, at the discretion of the NTA, for failure to comply with the conditions of contest.

ZERO TOLERANCE – Discourtesy to opponents, partner, or Director will not be tolerated. Repeated offenses will subject the offender to suspension from participation in that particular match. The NTA will determine any future participation in the event and the tournament.

BOARDS IN PLAY – All Flights will have 24 Boards in play all rounds.

Congratulations, Donors' Campaign Participants!
